The image shows a doctor in a white coat smiling. In the foreground, a tablet displays the BoT4MED portal interface. The interface includes a navigation menu on the left with options like 'Appointment Booking', 'Patient List', 'Add Patient', 'Appointment Summary', 'Recent Payments', and 'Collaboration'. The main content area is titled 'Appointment Summary' and features a summary of appointment statistics: Total Appointments (537), Paid Appointments (537), Unpaid Appointments (0), and Refunded Appointments (0). Below this is a table of appointment details.

Overlaid on the image are several data visualization elements:

- A heart rate monitor icon showing 'Heart Rate 120 BPM'.
- A pulse oximetry icon showing '92% spo2'.
- A waveform icon showing '120 bpm'.
